ISIS SHRINE NEWS

SEPTEMBER 2026

POTENTATE'S MESSAGE

Greetings All,

It's been a busy summer and I hope everyone has enjoyed it. Unit, club, & Lodge meetings are starting to ramp up. CSSA in Davenport, IA was fun for everybody that attended. The Isis Provost guard competed in trap and sporting clays and brought home some awards. Congratulations!!

I ask that you work with your lodges to help grow our membership. We all know how much fun we have in the Shrine. Let's share all the fun we have as Shriners with others and get them signed up. There are plans to hold a Ceremonial at the old Temple building in Salina on December 5, 2026. Stay tuned as more information is coming about that day.

Here are a few of the fun Shrine things coming up. Are you a Water-buffalo? You can join on Sept 19th in Oakley after attending the Stated meeting. Stay and have a great time and also enjoy a delicious steak dinner. The cost is only $50 and includes the degree and meal. Ladies are also included and can be a Water-buffalo too!

The Sportsman event is October 31, 2026 at the 4H building in Salina. Plan on having a great time when you attend this fun event. Please help support the Isis Shrine by buying and selling some tickets. The Noble that sells the most tickets will enter a drawing for "Paid 2027 dues". $20 tickets can be purchased online or paper tickets are available to sell. Each Isis Noble received an email Pledge-drive link for the Sportsman event.

Yes! There is also a Feztival of Trees again in November. Information about that will be coming soon.

I hope you are getting involved with your local Shrine club. Your community knows you as a Shriner because of great things your Shrine club does. I'm proud of all the various events and fundraisers the clubs and units have this year.

POTENTATE'S MESSAGE CONTINUED

The Divan is also selling commemorative coins this year. Be sure to get one and help support Isis Shrine.

Remember we do what we do as Shriners so kids get the help they need. And it's fun! I look forward to seeing you at our next Shrine event.

Thank you!

Greg & Shannon King
Potentate

ISIS SHRINE NEWS

SEPTEMBER 2026

RECORDER'S MESSAGE

Greetings Nobles and Ladies,

I'm not sure where the summer has gone. I do know it has been a hot one and I am hopeful that all of you are doing well. As we move into fall we have several upcoming events I am sure you won't want to miss.

Parade season is in full swing and there will be a stated meeting in Oakley on September 19, 2026. Along with the stated meeting a Water Buffalo degree will be performed. Oakley Shrine club has a full day planned out which will include a delicious meal.

The annual Sportsman event date has been changed to October 31, 2026 and will be held at the 4-H building located at 900 Greeley Ave, Salina, near Tony's Pizza Event Center. Tickets will be offered to sell and all Nobles are encouraged to sell as many tickets as possible.

A ticket will enter you into a chance to win great prizes, as well as get you into the event and lunch, which is part of the purchase price of a ticket.

Training for the Divan will also be held in October in Tampa, Florida. Isis Shrine is sending two Divan members to the leadership conference (previously known as AR school) and two Divan members to the introduction to Shrine Leadership training (previously known as OG School). These trainings are very important for our Divan. They will gain vital information to help guide them on their paths to being Potentate.

Parades in October are pretty scarce but they will pick up again in November. I encourage everyone to get out and take part in a Shrine event. Isis still has many other events before the end of the year.

Everyone stay cool as we are approaching cooler temps. I look forward to seeing everyone at future Shrine events. Take care and god bless all!

Fraternally yours,

Russell and Connie Ingle

Lucas Can Do It All

Lucas does not let cerebral palsy slow down his participation in sports and life.

S

Shriners Children's
https:www.shrinerchildrens.org
Patient Stories

When he was just 3, Lucas was diagnosed with quadriplegic dystonic cerebral palsy (CP), a permanent brain disorder that can affect muscle tone, movement and coordination.

In 2018, Lucas was receiving care at another Chicago medical facility when his physician, Sue Mukherjee, M.D., moved to Shriners Children's Chicago. Soon after, Lucas and his family joined her. "Right after the first appointment, I knew we were in good hands. Everyone at Shriners Children's really listens to you. You are not in a rush and you feel heard and cared for", said Lucas' mom, Lisa.

Lucas' type of cerebral palsy limits his ability to move his arms and legs like a typical kid. He continues to see Dr. Mukherjee and other Shriners Children's staff in rehabilitation services department. He has received therapy at the hospital, and braces from the in-house pediatric orthotic and prosthetic services team, to help him become as independent as possible. Despite some difficulties, such as not being able to write on his own, Lucas, now 14, is the embodiment of putting his mind to something and achieving goals. The friendly teen is even known as the "mayor" of his town in suburban Chicago.

"The goal for Lucas and our patients is to get them integrated into the community at all levels," said Dr. Mukherjee. Shriners Children's Chicago specializes in caring for patients with cerebral palsy, the most common movement disability in childhood. A team of physical, occupational, speech and rehabilitation physicians and orthopedic surgeons, work together in one location.

March is cerebral palsy awareness month. The specialized care for CP that Lucas and other patients receive at Shriners Children's allows them to grow in comfort and live life to their highest potential.

His disability does not stop Lucas from his true passion, which is sports. Lucas is not only walking but also running. He is on the cross-country, baseball and soccer teams at his school. He also manages a travel team. Lucas has the attitude of, "this is me and this is what I've got, and I am going to use that to my full potential," said Lisa.

Lucas will move on to high school for the upcoming school year. He plans to try out for as many adaptive sports as he can, as well as participate in the Special Olympics. Despite the obstacles Lucas has faced, he achieves his goals in sports and life thanks to his confidence and the multidisciplinary approach to cerebral palsy he benefits from at Shriners Children's.

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should install in our children the tenants of this creed, and the heritage from which it emanates.

As individuals, we pled ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant
