ISIS SHRINE NEWS

OCTOBER 2026

POTENTATE'S MESSAGE

Greetings All,

As we move into the fall season, our meetings are getting busier. There are many club meetings and of coarse the Lodge meetings keep us busy as well. I hope you are actively bringing up new Masons who can join our Shrine on Dec 5th.

This is a busy time for our Isis Shrine office. Dues payments are coming in for 2027. Please check to make sure you are current on your dues for 2026.

These next couple of months' activities include the Sportsman Event on Oct 31st held at the 4-H-building, located at 900 Greeley in Salina. Please purchase tickets and help support this event. It's always a great time!

The Feztival of Trees will be held in The Temple, located at 336 S. Santa Fe Avenue in Salina. This is a new exciting opportunity to hold an event in the old Isis Shrine home. It will be held in the basement of the Temple from Nov 14th -22nd. These events showcase what the Shrine is all about. I ask that you come support the Shrine through one or both of these events.

Mark your calendar for Dec 5th!. A super day of Shrine will take place at The Temple in Salina. We will start off with a Ceremonial, then Stated Meeting and Elections, followed by a delicious lunch and Awards Ceremony. The evening will include a Christmas themed concert where ELVIS will take the stage. We have a block of rooms available at the Holliday Inn Express on South 9th Street in Salina for only $99 per night.

I hope to see you at one or all of these great events in Salina. Thank you to all the Nobles and Ladies for staying in the game of helping our Shrine kids.

Thank you!

Greg & Shannon King
Potentate

ISIS SHRINE NEWS

OCTOBER 2026

CHIEF RABBAN'S MESSAGE

Greetings,

What a great third quarter we had; lots of parades, lots of laughs, and lots of fun! Thank you to the Oakley nobility for the food, fun, and fellowship.

Your Divan is putting a lot of work into this last quarter of the year! Let's get ourselves prepared to finish the year strong and build our relationships with other nobles and our public audiences.

We need a little more help with Sportsman Event tickets and start getting some donations for the Feztival of Trees. We also need volunteers for both events. It's gonna be a busy fourth quarter with Christmas parties and events, so make sure you make time in your schedule to come visit and see the Sportsman Event and Feztival of Trees.

Last but not least, I want to thank everyone for their support as I'm planning my potentate year! I want to do an awesome job, but I'm going to need help from the nobility. So let me know if you would be interested in assisting with that. I would greatly appreciate it.

Thanks again,

Hunter & Lady Loretta McMillen
Chief Rabban

Nobles,

Sending you a friendly message to remind you to pay your 2026 dues, if you have not done so already, to avoid suspension. The success of Isis Shrine's ability to help children relies on the strength and support of our membership.

You may pay your dues online by going to the Isis Shrine website: https://www.isisshrine.com, mailing payment to the Isis Shrine Office at P.O. Box #2778, Salina, KS 67402, or by swinging by the Isis Shrine Office, located at 1418 S. Santa Fe. Ave, Salina, KS 67401. You may also call the office and pay by phone at (785) 825-0206.

Pursuing Passions: Claera's Story

Claera is reaching for her goals.

Shriners Children's
https:www.shrinerchildrens.org
Patient Stories

At Shriners Children's Texas, our care plan begins with a rather simple but important question: What are the patient's goals?

The answer guides everything that follows. Rather than focusing solely on a diagnosis or condition, the care team works closely with patients and their families to identify personal goals and develop solutions that help make them possible. That approach is what brought 9-year-old Claera to Shriners Children's Texas.

Like many children her age, Claera has a number of interests. She loves playing softball, enjoys creating crafts and wants to learn how to play the violin. Born with a limb difference affecting her left hand, Claera can sometimes face challenges when doing certain activities. Now, thanks to support from Shriners Children's Texas, she is getting additional tools to help her do even more.

When people ask about her hand, Claera's answer is simple: "That's how God made me."

It is a response she has repeated often, especially after moving to a new school where classmates were curious about her difference. Rather than feeling self-conscious, Claera has learned to answer confidently. Her focus is not on what she can't do. It has always been on what she wants to accomplish..

Claera recently began playing softball, taking on the position of catcher. Because her left hand is affected by her limb difference, using a softball glove can be challenging. At Shriners Children's Texas, the Pediatric Orthotic and Prosthetic Services (POPS) department is fabricating a custom piece of equipment designed to help her wear and control her glove more effectively. The in-glove device is based on one that belongs to a family friend with a similar limb difference, originally developed by Shriners Children's Texas in the 1980s.

The POPS team is also working on another tool to help her play music. Inspired by her father, a violin player, Claera wants to learn the instrument herself. Traditional violin technique requires right-handed players to hold the violin's neck with their left hand while controlling the bow with their right. For Claera, that approach isn't practical. Instead, she plans to reverse those roles, holding the violin with her right hand and using her left hand to operate the bow with the assistance of a custom prosthesis. As luck would have it, with a simple component switch, the violin-holding device can also be transformed into one that can assist her in holding a softball bat, bringing her interests full circle.

"I am making Claera a custom violin prosthesis that allows her to utilize her natural wrist motion that is convertible to a batting prosthesis, and a separate softball mitt filler/prosthesis modeled after a device her neighbor received from Shriners Children's Texas 40 years ago," said Hannah Zesiger, MS, L/CPO, a certified and licensed prosthetist in POPS.

Pursuing Passions: Claera's Story

Claera is reaching for her goals.

Shriners Children's
https:www.shrinerchildrens.org
Patient Stories

Claera holds her bat with a special device made by the POPS team.

For Claera's parents, the objective has never been to set limits. Instead, they focus on solutions whenever a challenge creates a barrier. Their goal is to make sure Claera has opportunities to pursue the things that matter most to her. That philosophy aligns perfectly with the mission of Shriners Children's.

Whether a child wants to play sports, perform music, participate in recreational activities, or simply gain greater independence, the care team works to find practical solutions that support those goals. Every adaptive device begins with understanding what success looks like for that individual child.

For Claera, success means catching softballs, learning violin, creating crafts and enjoying life alongside her siblings. Her story is a reminder that determination often matters more than limitation, and that with the right support, children can pursue their passions on their own terms.

Claera shows off her custom device she uses to help her play the violin.

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should install in our children the tenants of this creed, and the heritage from which it emanates.

As individuals, we pled ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant
