ISIS SHRINE NEWS

AUGUST 2026

POTENTATE'S MESSAGE

Hello Friends,

As the summer moves into fall, I encourage you to stay active with your Shrine clubs and units. There are a lot of community events taking place throughout our areas and great opportunities to show off your Shriner pride. Lodges will be meeting again as well.

I recently attended the Day of Light and witnessed 140 brothers raised to Master Masons. What a great day it was. Congratulations to our Grand Master Dave Hendricks for growing the membership of Kansas Masons so impressively.

Are you a Camel Herder??? You can join the club by signing up new Nobels and helping others join in all the fun and fellowship we have as Shriners. If you missed the Day of Light there is still time to get guys through the degrees in Lodge before our next Ceremonial. Mark you calendars and make plans to attend December 5th. It will be a monumental day for the Isis Shrine. Be sure to check out our website and social media for all the upcoming events.

Thanks for doing your part and getting in the game.

Sincerely,

Greg & Shannon King

Potentate

ISIS SHRINE NEWS

AUGUST 2026

CHIEF RABBAN'S MESSAGE

Hello Nobles,

Chief Rabban Hunter McMillen writing you about a couple of things: first the parade turn out has been spectacular,. Make sure you have plenty of liquids before and after, and then have the good stuff after some good Gatorade or H2O.

A few of us are heading to CSSA in a couple weeks. If you have any thoughts or suggestions, please let us know.

Potentate Greg King and several other nobles from Karnac's Caravan went to the Day of Light and we signed 3 Shriner petitions. We gave out 4 petitions and we'll get the last hold out soon.

Remember if we don't recruit Masons and Shriners, our dues will go up. I know it's not the greatest subject to talk about, but it's reality. Make sure you make it to some of the Shriner events in case our newly crowned patient Ambassador Colton attends. Have a great summer and I look forward to seeing everyone at the shrine events and the blue lodges..

Chief Rabban Hunter McMillen and Lady Loretta

ISIS SHRINE NEWS

AUGUST 2026

ASSISTANT RABBAN'S MESSAGE

Nobles,

Summer is heating up, and so is our Shrine calendar. I always enjoy and appreciate being together at events, parades, fundraisers, and continuing the work that makes our fraternity special. Every mile traveled, every hour volunteered, and every handshake with a member of the community helps strengthen our fraternity and supports the mission we all believe in. Thank you to each Noble and Lady who continues to show up, lend a hand, and represent Isis Shrine with pride. Your dedication never goes unnoticed.

One event that deserves our full attention is the 2026 Sportsman Event. Planning is already well underway, and we're determined to make this year's event a success. As many of you know, an event of this size doesn't happen without a great team of volunteers. We need help with everything from preparing and serving food to collecting prizes, securing raffle items, sponsorships, setup, cleanup, and countless other details that make the day successful. Whether you can donate a few hours or take on a larger role, your help will make a difference. If you'd like to be part of the planning committee or volunteer in any capacity, please don't hesitate to reach out to me. Together, we can make this another outstanding event for our Temple.

I also had the privilege of attending Imperial Session in Tampa, Florida. I came home energized about the future of our fraternity. It was a tremendous opportunity to learn from Shrine leaders across the WORLD, share ideas, and see firsthand the incredible work being done at both the fraternity and Shriners Children's levels. The message throughout the week was clear: our organization continues to evolve, adapt, and grow while remaining committed to the values and mission that have guided us for generations. The dedication to improving the patient experience, advancing pediatric specialty care, and strengthening our temples is inspiring, and I believe the future of our fraternity is bright.

As we move into the second half of the year, I encourage everyone to stay involved, attend as many events as you can, and continue inviting good men to experience what it means to be a Shriner. The friendships we build, the memories we create, and the lives we impact are what makes this fraternity unlike any other.

Thank you again for everything you do. I look forward to seeing all of you on the road, at our events, and especially at another successful Sportsman Event.

Cheers,

Assistant Rabban Mike Parsons

From School Screening to Success: Alaina's Scoliosis Story

Meet Alaina.

Shriners Children's
<https://www.shrinerschildrens.org>
Patient Stories
August 4, 2026

When 11-year-old Alaina from Humble, Texas, learned she would need to wear a scoliosis brace, her first reaction was anxiety.

“I was nervous about people just noticing it,” Alaina said.

This type of concern is common among children beginning scoliosis treatment. Worries about fitting in at school or standing out from peers can sometimes make it difficult for patients to wear their braces as prescribed. Alaina's story highlights how early detection and consistent brace wear can help children successfully manage scoliosis while continuing to enjoy the activities they love.

Alaina's scoliosis was identified through a school-based screening program at her elementary school. The screening ultimately led to a referral to Shriners Children's Texas, where her care team determined that bracing was necessary. School screenings can play a critical role in identifying scoliosis before a spinal curve becomes more severe. In Alaina's case, early detection allowed her care providers to start treatment during an important stage of growth.

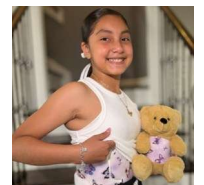

Once a child receives a brace, however, treatment success depends largely on wearing it as prescribed. “The key is compliance,” said Hannah Zesiger, MS, L/CPO, a certified prosthetist-orthotist at Shriners Children's Texas. “It's teamwork between the clinician and the patient and the family to try to make it as comfortable as possible for them to wear.

Alaina's prescribed wear time is 18 to 22 hours per day, and she is gradually working towards that goal as she adjusts to the device. One factor that helped ease her concerns is that the brace can be worn under her clothing, making it much less noticeable than she initially feared. After wearing it in public, she realized most people could not even tell she had it on. That reassurance has helped build her confidence and made the adjustment process easier.

Just as important, Alaina has learned that the brace does not prevent her from participating in many of the activities she enjoys. She can still draw, create arts and crafts projects, play with her dog, walk around comfortably, and look forward to participating in sports such as soccer and softball.

Today, Alaina is adapting well to treatment and encouraging others who may be facing the same challenge with wearing a brace.

“Stay brave,” Alaina said. “You're still able to do whatever you want. Be confident.”

“ARE YOU A CAMEL HERDER?”

PARADES

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should install in our children the tenants of this creed, and the heritage from which it emanates.

As individuals, we pled ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant
